# THE INTERIOR DESIGN PROCESS

## **1. Discovery Call**

Start with a friendly chat to discuss your project and ensure we're the perfect fit to bring your vision to life.

## **2. Consultation**

We visit your home to understand your lifestyle, needs, and goals. Together, we define the project scope, investment, and timeline.

## **3. Proposal & Agreement**

Receive a tailored Fee Proposal and Design Agreement detailing the scope of work, timeline, and terms. Your approval and design fee in advance kick off the project.

## **4. Design Development**

We create a detailed design plan, including layouts, finishes, and sourcing recommendations, ensuring every element aligns with your vision.

## **5. Implementation & Coordination**

Our team manages every detail—collaborating with skilled tradespeople and suppliers to bring the design to life seamlessly.

## **6. The Reveal**

Your space, reimagined. Enjoy a beautiful, functional home that feels uniquely yours.
